## 2018 Half Year Results

1 August 2018

# 2018

## Half Year Results

# Major developments in 1H 2018

## Results

- Net profit totalled 356.97 M€, 5.0% higher than profits during the same period in 2017.
- Dividend payment of €0.9188 per share charged to FY2017, up 7% from 2016.
- EUR 600 million 9-year euromarket bond issue at a cost of 1.316%.
- S&P confirmed the company's 'A-' credit rating, with a stable outlook.

## Investments

- Group investment: 183.0 M€. Investment in Spain's transmission grid: 154.0 M€.
- Progress in the Spain-France electricity interconnection through the Bay of Biscay.
- On 12 July, Red Eléctrica Chile agreed to acquire Centinela Transmisión S.A., consisting of 3 lines and total length of 265 kilometres, for \$117.2 M.
- Through its subsidiary Transmisora Eléctrica del Sur 2, Red Eléctrica Internacional commissioned the 115 km Azángaro-Juliaca-Puno line in southern Peru.

## Regulation

- Submission of the spread proposal to apply in order to establish the financial remuneration rate for transmission activity in the 2020-2025 regulatory period.
- The spread proposal is based on:
  - Adequate remuneration.
  - Financing cost of comparable efficient and well-managed transmission companies.
  - Investment needs.

# Major developments in 1H 2018

## System operation

- Launch of the European Cross-Border Intraday Market (XBID).

## Corporate Governance

- The Board of Directors of the Company, during the meeting held the 31st of July 2018, has resolved as follows:
  - Accept the resignation tendered by Mr. José Folgado Blanco as Director, in the category of “other external” directors, as a consequence, accept his removal as non-executive Chairman of the Board of Directors and Chairman of the Company.
  - Appoint Mr. Jordi Sevilla Segura as Director, in the category of “other external” directors, and as non-executive Chairman of the Board of Directors and Chairman of the Company.

## Sustainability

- Ranked second in the Utilities/Network Operators sector on the *Oekom Corporate Responsibility Review 2018*.
- REE is a permanent fixture in the family of Ethibel (ESI) Excellence Europe sustainability indices.

The achievements in the first half of the year help further the progress of the commitments made with the market.

Shareholders and investors

This document has been produced by Red Eléctrica Corporación, S.A. for the sole purpose expressed herein. Under no circumstances should it be construed as an offer of sale, exchange, or acquisition, or as an invitation to make any kind of offer, in particular, for the purchase of securities issued by Red Eléctrica Corporación, S.A.

Its content is provisional and intended for information purposes only. The statements it contains reflect the intentions, expectations and forecasts of Red Eléctrica Corporación, S.A. and its management. The content has not necessarily been verified by independent third parties and is, in any event, subject to negotiation, changes and modifications.

In this respect, neither Red Eléctrica Corporación, S.A. nor its directors, executives, staff, consultants or advisors or the companies belonging to its group (referred to collectively as its "Representatives") may be held liable for the precision, accuracy or integrity of the information or statements included in this document, and no form of explicit or implicit declaration or guarantee on the part of Red Eléctrica Corporación, S.A. or its Representatives may be construed from its content. Neither may Red Eléctrica Corporación, S.A. or any of its Representatives be held liable in any way (including negligence) for any damage that may arise from the use of this document or any information contained in it.

Furthermore, Red Eléctrica Corporación, S.A. does not assume any commitment to publish potential modifications or revisions to the information, data, or statements contained in the document in the event of changes in strategy, intent, or any unforeseen events which may affect them.

This disclaimer should be taken into consideration by i) all the individuals or entities to whom this document is targeted, ii) those who must make decisions or issue opinions related to securities issued by Red Eléctrica Corporación, S.A., and, especially, iii) analysts, notwithstanding the option to consult the public documentation and disclosures submitted to or registered with the Spanish stock market authority (CNMV), which Red Eléctrica Corporación, S.A. recommends all interested parties to do.

In addition to the financial reporting prepared in accordance with the IFRS, this presentation includes certain Alternative Performance Measures (“APMs”), as defined in the Guidelines on Alternative Performance Measures published by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415es).

These APMs are used for the purposes of obtaining a better understanding of the financial performance of Red Eléctrica Corporación, S.A. They should be considered additional information only and, under no circumstances, should they substitute the financial reports prepared in accordance with the IFRS. Moreover, Red Eléctrica Corporación, S.A.’s method of defining and calculating these APMs may differ from that of other entities that use similar measures. APMs, therefore, should not be considered comparable. For more information about APMs, including their definition and the reconciliation between the corresponding management indicators and the consolidated financial reports prepared in accordance with the IFRS, please see the information included in this presentation on the subject and the information available on the corporate website ([www.ree.es](http://www.ree.es)).
